1. Ah! I love the colorful clothes she wears,
and the way the sunlight plays upon her hair
Ahhhhhh! I hear the sound of a gentle word,
on the wind that lifts her perfume through the air.

I'm pickin' up good vibrations, she's givin' me the
excitations.

I'm pickin' up good vibrations, she's givin' me the
excitations.

Good, good, good, good vibrations, she's givin' me the
excitation.

Good, good, good, good vibrations, she's givin' me the
excitations.

2. Close my eyes, she's somehow closer now,
softly smile, I know she must be kind.
When I look in her eyes,
she goes with me to a blossom world.
