I know so many people who think they can do it alone

They isolate their heads and stay in their safety zone

Now what can you tell then

And what can you say that won't make them defensive?

Hang on to your ego

Hang on but I know that you're gonna lose the fight

They come on like they're peaceful but inside they're
so up tight

They trip through the day and waste all their thoughts
at night

Now how can I say it

And how can I come on when I know I'm guilty

Hang on to your ego

Hang on but I know that you're gonna lose the fight

Now how can I say it

And how can I come on when I know I'm guilty

Hang on to your ego

Hang on but I know that you're gonna lose the fight
