

Boys Beach "Here Today"

It starts with just a little glance, now.
Right away, you're thinkin' 'bout romance, now.
You know you ought to take it slower,
But you just can't wait to get to know her.
A brand new love affair
Is such a beautiful thing,
But if you're not careful,
Think about the pain it can bring.
It makes you feel so bad.
It makes your heart feel sad.
It makes your days go wrong.
It makes your nights so long.
You've got to keep in mind
Love is here
Today
and its gone
Tomorrow.
It's here
And gone so fast.
Right now you think that she's perfection.
This time is really an exception.

Well, you know I hate to be a downer,
But I'm the guy she left before you found her.

Well, I'm not sayin'

You won't have a good love with her,

But I keep on rememberin'

Things like they were.

She made me feel so bad.

She made my heart feel sad.

She made my days go wrong

And made my nights so long.

You've got to keep in mind

Love is here

Today

and its gone

Tomorrow.

It's here

And gone so fast.

Keep in mind

Love is here

Today

and its gone

Tomorrow.

It's here

And gone so fast.

Love is here

Today

and its gone

Tomorrow.

It's here

And gone so fast
