Ahhhhhh oooooo

This is the way

I always dreamed it would be

The way that it is, oh oh

When you are holding me

I never had a love of my own

Maybe that's why when we're all alone

I can hear music

I can hear music

The sound of the city baby seems to disappear

I can hear music

Sweet sweet music

Whenever you touch me baby

Whenever you're near

Lovin' you

It keeps me satisfied

And I can't explain, oh no

The way I'm feeling inside

You look at me we kiss and then

I close my eyes and here it comes again

I can hear music  
I can hear music  
The sound of the city baby seems to disappear  
I can hear music  
Sweet sweet music  
Whenever you touch me baby  
Whenever you're near  
I hear the music all the time, yeah  
I hear the music, hold me tight now baby  
I hear the music all the time  
I hear the music  
I hear the music (baby)  
Ahhhhh  
I can hear music  
I can hear music  
The sound of the city baby seems to disappear  
I can hear music  
Sweet sweet music  
Whenever you touch me baby  
Whenever you're near
