Round round get around

I get around

Yeah

Get around round round I get around

I get around

Get around round round I get around

From town to town

Get around round round I get around

I'm a real cool heel

Get around round round I get around

I make a real good thrill

I'm gettin' bugged driving up and down the same old
strip

I gotta find a new place where the kids are hip

My buddies and me are getting real well known

Yeah, the bad guys know us and they leave us alone

I get around

Get around round round I get around

From town to town

Get around round round I get around

I'm a real cool heel

Get around round round I get around

I make a real good thrill

Get around round round I get around

I get around

Round

Get around round round oooo

Wah wa ooo

Wah wa ooo

Wah wa ooo

We always take my car cause it's never been beat

And we've never missed yet with the girls we meet

None of the guys go steady cause it wouldn't be right

To leave their best girl home now on Saturday night

I get around

Get around round round I get around

From town to town

Get around round round I get around

I'm a real cool heel

Get around round round I get around

I make a real good thrill

Get around round round I get around

I get around

Round

Ah ah ah ah ah ah ah ah

Round round get around

I get around

Yeah

Get around round round I get around

Get around round round I get around

Wah wa ooo

Get around round round I get around

Oooo ooo ooo

Get around round round I get around

Ahh ooo ooo

Get around round round I get around

Wah wa ooo

Get around round round I get around

Wah wa ooo
