I came along when he broke your heart
That's when you needed someone
To help forget about him
I gave you love with a brand new start
That's what you needed the most
To set your broken heart free
I know you cried, and you felt blue
But when I could I gave strength to you
I'm waiting for the day when you can love again
I kissed your lips when your face looked sad
It made me think about him
And that you still loved him
But you know that pretty soon
I made you feel so glad
That you belonged to me
And love began to show
He hurt you then, but that's all gone
I guess I'm saying you're the only one
I'm waiting for the day when you can love again
He hurt you then, but that's all done
I guess I'm saying you're the only one

I'm waiting for the day when you can love again

You didn't think that I could sit around and let him win?

You didn't think that I could sit around and let him take
you?

You didn't think that I could sit around and let him go?

You didn't think that I could sit back and let you go
