G. Goffin/C. King/ Phil Spector

There's a lot of things I want, a lot of things that I'd like
to be

But girl I don't foresee a rags to riches story for me

I've given up on schemes cause every one fell through

I've given up so many things, don't ask me to give up
on you

And baby baby

Just once in my life let me get what I want

Girl don't let me down

Just once in my life let me hold onto

A good thing I found

Don't let me down

Baby say that you'll be staying

I couldn't face the day if you weren't here by my side

And if you went away then I'd be left without any pride

There's just one little dream I've got to make come true

There's just one round I've got to win

I can't be a loser with you

And baby baby

Just once in my life let me get what I want

Girl don't let me down

Just once in my life let me hold onto
A good thing I found
Don't let me down
Baby say that you'll be staying
Every pot of gold ain't so easy to find
And if you'll stand by me
Girl I'll give you some of mine
I can't give you the world
But I'll work hard for you girl
Well I'll work hard
Every day baby don't leave me
Now say you won't leave me
Do this for me baby
Once in my life let me get what I want
Girl don't let me down
Just once in my life let me hold onto
A good thing I found
Don't let me down
Baby say that
