GO!

I'm gonna wake you up early

Cause I'm gonna take a ride with you

We're going down to the Honda shop

I'll tell you what we're gonna do

Put on a ragged sweatshirt

I'll take you anywhere you want me to

First gear (Honda Honda) it's alright (faster faster)

Second gear (little Honda Honda) I lean right (faster faster)

Third gear (Honda Honda) hang on tight (faster faster)

Faster it's alright

It's not a big motorcycle

Just a groovy little motorbike

It's more fun than a barrel of monkeys

That two wheel bike

We'll ride on out of the town

To any place I know you like

First gear (Honda Honda) it's alright (faster faster)

Second gear (little Honda Honda) I lean right (faster faster)

Third gear (Honda Honda) hang on tight (faster faster)

Faster it's alright

It climbs the hills like a matchless

Cause my Honda's built really light

When I go into the turns

Lean [Tilt] with me and hang on tight

I better turn on the lights

So we can ride my Honda tonight

First gear (Honda Honda) it's alright (faster faster)

Second gear (little Honda Honda) I lean right (faster faster)

Third gear (Honda Honda) hang on tight (faster faster)

Faster it's alright

First gear (Honda Honda) it's alright (faster faster)

Second gear (little Honda Honda) I lean right (faster faster)

Third gear (Honda Honda) hang on tight (faster faster)

Faster it's alright
