lyricist/composer)

Cease to resist, come on say you love me

Give up your world, come on and be with me

I'm your kind, I'm your kind, and I see

Come on come on, ooo I love you pretty

My life is yours, and you can have my world

I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned

I know I could never learn not to love you

Come in now closer

Come in closer closer closer ahhhh

Submission is a game given to another

Love and understanding is for one another

I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned

I know I could never learn not to love you

Come in now closer

Come in closer come in closer ahhhh

Ahhh-ahhh-ahhh-ahhh-ahhhhhh

Ahhh-ahhh-ahhh-ahhh-ahhhhhh
