Noble (ain't joshin')

Surfer (ain't joshin')

He's the number one man (he's movin')

The surfers call him "Noble"

And that's just what he is

He's dedicated to the mighty sea

Surfin' night and day

Never twice in one spot

He's somethin' you and I would like to be

~CHORUS~

He's not afraid of body whop

From ten feet or more

He never backs away from a swell

Hurachis on his feet

Bushy hair on his head

And where he's going he'd never tell

~CHORUS~

A surfin' Cassanova

With his customized board

A Woody and his dirty white jeans

He takes his choice of honeys

Up and down the coast

The finest surfer yet to make the scene

~CHORUS
