Run run runnin' all the rides are runnin'

Run run runnin' all the rides are runnin'

Last night I took a walk in the dark

A steamin' place called Palisades Park

Turned around to see what I could see

That's where the girls are

I took a ride on a shoopby shoo

The girl I sat beside was awful cool

And when we start I gave that girl a hug

My heart was flyin'

Up like a rocket ship

Down like a roller coaster

Left like a loopdy loop

And around like a merry go round

We ate and ate at a hot dog stand

We danced around to a rockin' band

And we we quit I gave that girl a hug

In the tunnel of love

You never know how great a kiss can be

Until you stop at the bottom of a ferris wheel

In the tunnel of love down at Palisades Park

Run run runnin' all the rides are runnin'

We ate and ate at a hot dog stand

We danced around to a rockin' band

And we we quit I gave that girl a hug

In the tunnel of love

You never know how great a kiss can be

Until you stop at the bottom of a ferris wheel

In the tunnel of love down at Palisades Park

Run run runnin' all the rides are runnin'

Down at Palisades Park

Run run runnin' all the rides are runnin'

Down at Palisades Park

Run run runnin' all the rides are runnin'

Down at Palisades Park
