Surfin' is the only life

The only way for me.

Now surf, surf with me

Bom Bom Dit Di Dit Dip

Bom Bom Dit Di Dit Dip

I got up this mornin' turned on my radio

I was checkin' on the surfin' scene

To see if I would go

And when the DJ tells me that the surfin' is fine

That's when I know my baby and I will have a good time

We're going surfin'

Bom bom dip di dit

Surfin'

Surfin' is the only life the only way for me

Now surf

Surf with me

Bom bom dip di dit

Bom bom dip di dit

From the early morning to the middle of the night

Any time the surf is up the time is right

And when the surf is down to take its place

We'll do the Surfer's Stomp it's the latest dance craze

We're going surfin'

Bom bom dip di dit

Surfin'

Surfin' is the only life the only way for me

Now surf

Surf with me

Bom bom dip di dit

Bom bom dip di dit

Now the dawn is breaking and we really gotta go

But we'll be back here very soon that you better know

Yeah my surfer knots are rising and my board is losing wax

But that won't stop me baby cause you know I'm coming back

We're going surfin'

Bom bom dip di dit

Surfin'

Surfin' is the only life the only way for me

Now come on pretty baby and surf with me

Bom bom dip di dit
