Check out the chick with the new dress on

(Wearin' a shift and it looks real fine)

The call it a shift and it comes on strong

(Wearin' a shift and it looks real fine)

When she's got it on, well she can't do no wrong

(Wearin' a shift, wearin' a shift)

You may think a dress can't do very much

(Wearin' a shift really turns me on)

With the slit up the side, you can't resist that touch

(Wearin' a shift really turns me on)

It's tighter than a moo-moo and it's just too much

(Wearin' a shift, wearin' a shift)

(Turns me on now) (get a shift now)

(Can't go wrong now) (go wrong now)

(Turns me on now) (get a shift now)

(Turns me on now) (turns me on now)

Get your girl a shift and she'll look real fine

(Wearin' a shift and it's just too much)

It fits like a glove and drives you outta your mind

(Wearin' a shift and it's just too much)

She'll ball it with her shift on and we'll have a good time

(Wearin' a shift, wearin' a shift)

(Turns me on now) (get a shift now
