Brass Monkey, that funky Monkey

Brass Monkey junkie

That funky Monkey

Got this dance that's more than real

Drink Brass Monkey here's how you feel

Put your left leg down, your right leg up

Tilt your head back let's finish the cup

M.C.A. with the bottle

D. rocks the can

Adrock gets nice with Charlie Chan

We're offered Moet, we don't mind Chivas

Wherever we go with bring the Monkey with us

Adrock drinks three

Mike D. is D.

Double R. foots the bill most definitely

I drink Brass Monkey and I rock well

I got a catle in Brooklyn that's where I dwell

Brass Monkey, that funky Monkey

Brass Monkey junkie

That funky Monkey

Cause I drink it anytime and anyplace

When it's time to get ill I pour it on my face
Monkey tastes def when you pour it on ice
Come on y'all it's time to get nice
Coolin' by the lockers getting kind of funky
Me and the crew, we're drinking Brass Monkey
This girl walked by she gave me the eye
I reached in the locker grabbed the Spanish Fly
I put it with the Monkey mixed it in the cup
Went over to the girl, "Yo baby, what's up?"
I offered her a sip, the girl she gave me lip
It did begin the stuff wore in and now she's on my tip
Brass Monkey, that funky Monkey
Brass Monkey junkie
That funky Monkey
Step up to the bar put the girl down
She takes a big gulp and slaps it around
Take a sip, you can do it, you get right to it
We had a case in the place and we went right through it
You got a dry Martini thinking you're cool
I'll take your place at the bar, I smack you off your stool
I'll down a '40 dog" in a single gulp
And if you got beef you'll get beat to a pulp
Monkey and parties and reelin' and rockin'
Def, def
Girls, girls

All y'all jockin'

The song and dance keeping you in a trance

If you don't buy my record I got my advance

I drink it

I think it

I see it

I be it

I love Brass Monkey but I won't give D. it

We got the bottle you got the cup

Come on everybody let's get ffffff

Brass Monkey, that funky Monkey

Brass Monkey junkie

That funky Monkey
