all I really want is girls

And in the morning it's girls

Cause in the evening it's girls

I like the way that they walk

And it's chill to hear them talk

And I can always make them smile

From White Castle to the Nile

Back in the day

There was this girl around the way

She liked by home-piece M.C.A.

He said he would not give her play

I asked him, "Please?" - he said, "You may."

Her pants were tight and that's ok

If she would dance - I would D.J.

We took a walk down to the bay

I hope she'll say, "Hey me and you should hit the hay!"

I asked her out - she said, "No way!"

So I broke North with no delay

I heard she moved real far away

That was two years ago this May

I seen her just the other day

Jockin' Mike D. to my dismay

Girls - to do the dishes

Girls - to clean up my room

Girls - to do the laundry

Girls - and in the bathroom

Girls - that's all I really want is girls

Two at a time - I want girls

With new wave hairdos - I want girls

I ought to whip out my - girls, girls, girls, girls, girls
