Soft overripe fresh skeezed California females  
With 3-inch cherry red press-on Lee nails  
Reach into my mind for the rhymes I'm seeking  
Like a garbage bag full overflowing now it's leaking  
Rapunzel Rapunzel let down your hair  
So I can climb up and get into your underwear  
Rat soup eating test cheating no business punk  
You're insecure born in the junkyard with the junk  
You've gone wet look crazy and messed with your head  
You fucked around and wound up with the bald skin  
head  
You're all mixed up like pasta primavera  
Why'd you throw that chair at Geraldo Rivera  
Cause one man's ceiling is another man's floor  
So get that money out of your ass you whore  
I brought her upstairs onto the roof  
I dogged your wife and she is a doofus  
Clean B cleaning the G spot you know that we've got  
Dolemite's house and you have not  
Look out my window look over the city  
With two black eyes your girl ain't that pretty

Why you wanna beat that brat with a bat

Why you wanna beat your girl like that

Living in the rat race smoking rat weed

You reap what you sow when you plant the seed

Bum cheese on rye with ham and prosciutto

Got more Louie than Phil Rizzuto
