Listen close, and listen hard, dealing Violet
Beauregarde.
This little girl she sees no wrong...

Chewing, chewing, chewing, chewing, chewing,
chewing all day long.

Chewing, chewing all day long.
Chewing, chewing all day long.
Chewing, chewing all day long.
Yea-eah

She goes on chewing till at last, her chewing muscles
grow so fast.
And from her face her giant chin, sticks out just like a
violin...

Chewing, chewing all day long.
Chewing, chewing all day long.
Chewing, chewing all day long.

For years and years she chews away, her jaws get
stronger every day.
And with one great tremendous chew...they bite the
poor girl's tongue in two.
And that is why we try so hard, to save Miss Violet
Beauregarde.

Chewing, chewing all day long.
Chewing, chewing all day long.
Chewing, chewing, chewing, chewing, chewing,
chewing all day long.
