Let's go fishing for a black bass  
But it is a rainy day  
Let's go fishing to the lake  
But it is a windy day

I went to buy many lures  
I got up early in the morning  
I made tuna sandwiches  
Put 'em in a basket with chocobars

Black bass, got my tackle and my bait  
Black bass, oh, I can hardly wait  
Black bass, come along with me  
Black bass, oh, how happy we'll be

Let's go fishing for a black bass  
But it is a rainy day  
Let's go fishing to the lake  
But it is a windy day

Someone brought that black bass  
To this lake from far away  
Changing the biological  
Distribution of the lake

Black bass, got my tackle and my bait  
Black bass, oh, I can hardly wait  
Black bass, come along with me  
Black bass, oh, how happy we'll be

My little boy, come fishing with me  
Black bass, black bass, black bass  
I wanna see you catch me a black bass  
Black bass, black bass, black bass

I went to buy many lures  
I got up early in the morning  
I made tuna sandwiches  
Put 'em in a basket with chocobars

Black bass, got my tackle and my bait  
Black bass, oh, I can hardly wait

Black bass, come along with me  
Black bass, oh, how happy we'll be

Let's go fishing for a black bass  
Let's go fishing for a black bass  
My little boy, a black bass  
I wanna see you catch me a black bass  
Rainy Sunday, Black Sabbath
