Shall we go out looking for big mushrooms
On the silver plate?
Shall we go out looking for brown mushrooms
More than five inches across?

Maybe we can find them very soon
Maybe we can find them at the Italian restaurant

Shall we go out looking for big mushrooms
Piled high on the plate?
Shall we go out looking for brown mushrooms
Like an open umbrella?

Maybe we can find them under the moon
Maybe we can find them at the Italian restaurant

In fifteen minutes
They'll become appetizers
They'll be cut into pieces
To be mushroom spaghetti

We're all looking for tasty big mushrooms
We're all looking for tasty big mushrooms

Maybe we'll find magic very soon
Maybe we'll find magic at the Italian restaurant

In fifteen minutes
They'll become appetizers
They'll be cut into pieces
To be mushroom spaghetti

We're all looking for tasty big mushrooms
We're all looking for tasty big mushrooms
We're all looking for tasty big mushrooms
We're all looking for tasty

Big mushrooms
Big mushrooms
Big mushrooms
Big mushrooms
