Hey you, say you were a butterfly
I see you in a peaceful field
Hey you, say you were a butterfly
I see you in a beautiful garden

I wanna catch you, catch you
Catch you butterfly boy
I wanna catch you, catch you
Catch you butterfly boy

Tell me, tell me, tell me
Tell me where to go
Tell me, tell me, tell me
Tell me what to do

Flaming in the hazy sunlight
Dancing in the starlit sky
I can see the pixie dust falling
From the wings of my butterfly boy

Tell me, tell me, tell me
Tell me how to get it

Butterfly boy don't fly away
