Time trip to a 1970's disco
From the crazy 21st century
It's a glorious friday night
People are dancing to the funky beat
Eating delicious yamucha
Everybody feels all right, hey!
Chinese disco in the groove
Chinese disco through the night
Chinese disco get together
It's all right, you enjoy yourself

The sound of a chinese gong starts the magic show
A girl wearing red china dress gets into a black box
Stabbing the box with many knives
Open the box and she disappears
What a great magician!
People applaud the show, hey!

Chinese disco in the groove
Chinese disco through the night
Chinese disco get together
It's all right if you enjoy yourself

Chinese disco in the groove
Chinese disco through the night
Chinese disco get together
It's all right if you enjoy yourself
You've got your power and dancing forever
It's friday night fever but you are just dreaming

Chinese disco in the groove
Chinese disco through the night
Chinese disco get together
It's all right if you enjoy yourself

Time slip to a 1970's disco
