Elmer elevator
Always on the ring
Almond chocolate
That I bring to him
Elmer's gonna fly to the sky
Ride on the wings of stripe, dragonfly

Elmer elevator
Always change his mind
Chocolate ice cream
No longer was his kind
Elmer's gonna fly to the sky
Ride on the wings of stripe, dragonfly

Where will he go?

Elmer elevator
Always on the ring
Almond chocolate
That I bring to him
Elmer's gonna fly to the sky
Ride on the wings of stripe, dragonfly

Elmer elevator
Always change his mind
Chocolate ice cream
No longer was his kind
Elmer's gonna fly to the sky
Ride on the wings of stripe, dragonfly

Where will elmer go?
