We went to the park
The other day
But the park was closed
We walked away

We brought many things to eat
Fruits and soda, even meat
But we have to wait

We were told the park
Was beautiful
We were told the park
Was so nice

We brought many things to eat
Fruits and soda, even meat
But we have to wait

Someday we'll go
Back again
We'll have a party
Please bring your friends

We'll have lots of things to eat
Fruits and soda, even meat
We'll have a party then
