There's a big bird named toucan sam  
With a pretty colored beak just like a candy cane  
I wonder if he'd be so nice (be so nice)  
As to take us to fruit loop paradise  
Chocolate streams and ice cream dreams  
Fancy flavored clouds and sun  
Lots of cake and soda pop  
And lollipops for everyone

I wish I was like toucan sam  
I could fly to the rainbow and candy land  
Take all my friends to a tasty place (tasty place)  
Get a beak and go flying in outer space

Chocolate streams and ice cream dreams  
Fancy flavored clouds and sun  
Lots of cake and soda pop  
And lollipops for everyone
