When you feel down, I recommend to you
Have lots of fruits and vegetables
When you feel sad, I recommend to you
Have lots of fruits and vegetables
Nice fresh fruits and vegetables, make you feel so free
I'm talking about my own life, I love to feel free too

When you feel lonely, I recommend to you
Have lots of fruits and vegetables
When you feel like crying, I recommend to you
Have lots of fruits and vegetables

When you feel down, I recommend to you
Have lots of fruits and vegetables
When you feel sad, I recommend to you
Have lots of fruits and vegetables

Nice fresh fruits and vegetables, make you feel so free
I'm talking about my own life, I love to feel free too

Vitamins, minerals, energy and more
Let's eat fruits and vegetables
Orange, apple, banana, grape, cherry, melon
Avocado, carrot, radish

Nice fresh fruits and vegetables, make you feel so free
I'm talking about my own life, by the way, I eat chicken,
too
