I got news my favourite band
Would go on a reunion concert tour
So I went to a ticket agency
It was very high priced
But it's okay, it might be a precious time for me
It's all right, I can't wait to go

I took out their old records
From deep inside my closet
But my old record player
Didn't work very well
So I bought their newly released greatest hits CD
Oh how nice, now I'm ready for the show

Rock, rock
I don't hear rock music anymore
Rock, rock
All I need is

Rock, rock
I don't want techno anymore
Rock, rock
All I need is

Hello, golden years of rock n' roll
Welcome back to the twenty-first century

Finally the day of the concert came
And I was at the big arena
The band appeared on the stage
They look different than before
What happened to their long hair and slender bodies?
I was disappointed by their looks
But their live performance was
Fantastic, everybody there had fun
Two hours later, the show was over
I hurried over to buy something
Then I got a cool black short-sleeved tee shirt
Anyway, the music made me so happy

Rock, rock
I don't hear rock music anymore
Rock, rock
All I need is

Rock, rock
I don't want techno anymore
Rock, rock
All I need is

Cheer up! Cheer up!
Rock will never die
Cheer up! Cheer up!
Rock forever

Cheer up! Cheer up!
Rock will never die
Cheer up! Cheer up!
Rock forever
