Ow!

Goose-steppin' mama under-cover charge

Goose-step mama taken by and large

While you tinker with some tailor

Someone soldier to a sailor

Goose-step mama

Oh yeah!

Goose-step mama

Goose-step mama boogie all night long

Goose-step mama you can do no wrong

You know how to reassemble

Clumsy hands and knees that tremble

Goose-step mama

Oh yeah!

Goose-step mama

Wooo!

You've got something that makes you something

Something tells me loud and clear

In the end it comes to nothing

You've got nothing to eins zwei drei vier

Goose-step mama with your rock 'n roll

Goose-step mama with your heart of gold

You don't like to see men suffer

Love is tough but life is tougher

Goose-step mama

Oh yeah!

Goose-step mama

Wow!

You've got something that makes you something

Something tells me loud and clear

In the end it comes to nothing

You've got nothing to eins zwei drei vier

Goose-step mama with your rock 'n roll

Goose-step mama with your heart of gold

You don't like to see men suffer

Love is tough but life is tougher

Goose-step mama

Oh yeah!

Goose-step mama
Wow!
