Here comes a snail  
Oh whoa what a snail  
You are the king of the garden  
Taking a nap under my hydrangea  
Dreaming of rainy days  
Taking a walk from the door to the step  
Takes about three hours  
Here comes a snail  
In a new mobile home  
Traveling around the garden  
Moving quite slowly  
Built so tough  
You are the king of the garden  
Taking a walk from the door to the step  
Takes about three hours  
Here comes a snail  
Oh whoa what a snail  
You are the king of the garden  
You are the king of the garden
