Sometimes I step into timeless zone  
And I lose my way, I don't know where I am  
Sometimes I feel like I'm in the milky way  
And I lose myself, I don't know who I am

I discover whiskers of a cat in a timeless zone  
And I put them on my face  
In a moment I become a sweet little cat  
And I dance on a flying saucer

I am a cat, I am a cat, I am a cat

Sometimes I step into timeless zone  
And I lose my way, I don't know where I am  
Sometimes I feel like I'm in the milky way  
And I lose myself, I don't know who I am

I discover ears of a cat in the milky way  
And I put them on my head  
In a moment I become a sweet little cat  
And I dance on a flying saucer

I am a cat, I am a cat, I am a cat

I discover whiskers of a cat in a timeless zone  
And I put them on my face  
In a moment I become a sweet little cat  
And I dance on a flying saucer

I am a cat, I am a cat, I am a cat
