It's a muggy silly sunny day  
Let's get up early in the morning like a bird  
Take a ride to the happy crazy fun fun park  
The amusement park we'll have lots of fun  
Every saturday ooo every sunday ooo  
Every saturday ooo every sunday let's go

I get high with you on the loop di loop  
I'm satisfied on the loop di loop  
Feel dizzy on the loop di loop  
I get happy on the loop di loop

Every saturday ooo every sunday ooo  
Every saturday ooo every sunday let's go

Eating popcorn and popsicles eat them all  
Waiting for a ride pitterpat heart  
Loop di loop the best ride ever made  
C'mon we just can't wait to jump on that ride

Every saturday ooo every sunday ooo  
Every saturday ooo every sunday let's go

Trash rubbish foolishness  
Repeating the same thing every day  
Trash rubbish foolishness  
Feeling boredom every day

I get high with you on the loop di loop  
I'm satisfied on the loop di loop  
Feel dizzy on the loop di loop  
I get happy on the loop di loop
