I am the mosquito sacrifice  
I hate mosquitoes 'cos they like to bite me  
I hate mosquitoes 'cos they buzz terribly  
I hate mosquitoes 'cos they like to bite me  
I hate mosquitoes 'cos they buzz terribly

Here comes mosquitoes from a damp green japanese  
garden  
I resist them with an incense coil  
Slap at mosquitoes lash them it's my revenge  
Inflict punishment upon them now!

I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes  
I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes

I hate mosquitoes 'cos they like to bite me  
I hate mosquitoes 'cos they buzz terribly  
I hate mosquitoes 'cos they like to bite me  
I hate mosquitoes 'cos they buzz terribly

Here comes mosquitoes from a damp green japanese  
garden  
I resist them with an incense coil  
I am suffering from the itchy scratchy hell  
They sniped at me before my nose

I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes  
I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes

I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes  
I hate, I hate, I hate mosquitoes so much  
I hate, I hate, I hate mosquitoes
