I am very happy tonight
We could be here today
I was waiting for a long time
To come to Music Square

When you sing the song that I love
I can't stop the beating of my heart
I don't know why

I am very happy tonight
I could be close to you
I was waiting for a long time
To come to Music Square

Every song I will give to you
I want you to have a merry day

I am very happy tonight
I could see the beautiful stars
I've been waiting for a long time
To come on Music Square

When you gently play your guitar
I can't stop the beating of my heart
I don't know why

I am very happy tonight
We could be here today
I was waiting for a long time
To come to Music Square

I don't know how it's going to end
But I hope that we can meet again

I am very happy tonight
I could be close to you
I was waiting for a long time
To come to Music Square

So come on Music Square
