I have been to London one time
I have been to Hong Kong one time
Everywhere in the world is good
But Osaka is the best town
Osaka is the best town

My favorite town Osaka
My favorite town Osaka
Oh my favorite town Osaka

I have been to Tokyo one time
I have been to Nagoya one time
Everywhere in Japan is good
But Osaka is the best town
Osaka is the best town

My favorite town Osaka
My favorite town Osaka
Oh my favorite town Osaka
