over the bridge there's a mysterious drugstore,  
an old lady mixing an unknown plant is found,  
i asume that she is a sort of magicain,  
the white pills she gives me are unbelievably cheap.

who know's if they work or not,  
belive and she will help you.

thats why...

i keep a pill and dime with me  
i hope the cloud around me will clear,  
i think the most beautiful things  
i hope i get out of my bed tonight...

over the bridge there a mysterious drugstore  
they have a strange place, drinks in a displaycase  
i wonder if she is using white magic  
it is impossible to tell how old she is

who knows if they work or not  
belive and she will help you.

thats why...

i keep a pretty good diet meal  
i hope the cloud around me will clear  
i think the most beautiful things  
i hope i get out of my bed tonight...

i keep a pretty good diet meal  
i hope the cloud around me will clear  
i think the most beautiful things  
i hope i get out of my bed ,  
i get out of my bed tonight...

i cross the bridge to get well because of the mysterious  
drugstore  
i cross the birdge to get well because of the mysterious  
drugstore...
