

Shonen Knife "One Week"

Visit "[One Week](#)" on MotoLyrics.com

Monday I go to watch sumo wrestling
It's an easy day to get a good ticket.
Tuesday my friends come to my house
And we play the twister game.
Wednesday I play computer games all day
My favorite's jewelbox.
Thursday I drive to a toy shop
And I buy a barbie doll.
Friday I go to see the kinks
Dancing screaming and drinking beer.
Saturday I go ice skating
Playing tennis is very good too.
Sunday what movie do I wanna watch
How about the new star trek flick?
Monday to sunday one week has seven days.
One week one week one week one week one week one
week one week one week
One week one week one week one week one week one
week one week one week
One week one week one week one week one week one
week one week one week
One week one week one week one week one week one
week one week one week
One. weak. life.
