

## Shonen Knife "People Traps"

Visit "[People Traps](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Don't walk into people traps. a sly old man has set a trap. any number of people traps in society. watch out for those people traps. a sly old fox is setting traps. any number of people traps in  
Ety, hey! you better keep your eyes wide open all the time. you've stepped into a danger zone. it's a very dirty trick. beware of the people traps, beware of the people traps. watch out, watch o  
Atch out, watch out. beware of the people traps. don't fall into people traps. a sly old man is setting traps. many numbers of people traps on the path. watch out for those people traps. a sly o  
X has set you up. many numbers of people traps on the path, hey! you better keep your eyes wide open all the time. you've stepped into a danger zone. it's a very nasty trick. beware of the peopl  
Ps, beware of the people traps. watch out, watch out, watch out, watch out. beware of the people traps. beware of the people traps, beware of the people traps. watch out, watch out, watch out, w  
Out. beware of the people tra  
Ps. (there are many honeyed words.) beware of the people traps, beware of the people traps. (there is so much misinformation.) watch out, watch out, watch out, watch out. beware of the people tr  
(there are many sweet talking guys.) beware of the people traps, beware of the people traps. (there are many temptations.) watch out, watch out, watch out, watch out. beware of the people traps.
