He's my prince, he's my god
But it's so complicated
He's my hero, he's my idol
But I'm so dizzy of him

He's wearing a jeweled crown
With precious stones
I know I could make him happy
If he and I could be alone

He's my prince, he's my god
But it's so complicated
He's my hero, he's my idol
But I'm so dizzy of him

I wanna be his Madonna
I wanna be his princess
I wanna be his heroine
I'd be happy just to be with him

I quiver, I quiver
I quiver, baby, I love you
I quiver, I quiver
I quiver, baby, I need you

He's my prince, he's my god
But it's so complicated
He's my hero, he's my idol
But I'm so dizzy of him

Everybody's seen his picture
Everybody knows his name
But only I could make him happy
Oh, I wish I could see him again

He's my prince, he's my god
But it's so complicated
He's my hero, he's my idol
But I'm so dizzy of him

I wanna be his Madonna
I wanna be his princess

I wanna be his heroine
I'd be happy just to be with him

I quiver, I quiver
I quiver, baby, I love you
I quiver, I quiver
I quiver, baby, I need you

I quiver, I quiver
I quiver, baby, I love you
I quiver, I quiver
I quiver, baby, I need you
