its a warning sign, we should look out for ourself
it must be... S-P-A-M
all over the world, flying around you and me
they must be... S-P-A-M

in cyber space there is no place
im not ready to cope with so many
evil spam e-mails

its a danger sign, you should delete right away
it may be... S-P-A-M
someone from somewhere, is sending many fishy e-
mails
they must be S-P-A-M

its troublesome, its not wholesome
im not ready to cope with so many
evil spam e-mails...

many trash e-mails around you
someone sends me everyday
many tarsh e-mails around you
someone's leeking privat information

running after me, to the ends of the earth
it may be... S-P-A-M
i have to play, cat and mouse games with them
they must be... S-P-A-M

e-mail crazy technology
im not ready to cope with so many
evil spam e-mails

many trash e-mails around you
someone send me everyday
many tarsh e-mails around you
someone's leeking privat information

my important mail, wrapped around a bison ring
it must be... S-P-A-M
in the confusion, i get trash mail once again

they must be... S-P-A-M

S-P-A-M S-P-A-M

im not ready to cope with so many
evil spam e-mails

S-P-A-M S-P-A-M

im not ready to cope with so many
evil spam e-mails...
