What can I do during this tired summer?

Playing tennis,
Swimming in the pool,
Dancing at the disco,
Sleeping in my bed,
Sleeping in my bed,
Sleeping in my bed

Mother says, "you're only an idler"
"you must work and work harder"
But in the strong sunlight
Who knows what I can do?

Sleeping in my bed
Sleeping in my bed
Sleeping in my bed
Aaaaaaaaaaaaaaaaaaaaaaaaaah!
