Baby, I feel good
From the moment I rise
Feel good from morning
Till the end of the day
Till the end of the day
Yeah, you and me
We live this life
From when we get up
Till we go sleep at night
You and me are free
We do as we please, yeah
From morning
Till the end of the day
Till the end of the day

Yeah, I get up
I see the sun up
I feel good, yeah
'cause my life has begun
You and me are free
We do as we please, yeah
From morning
Till the end of the day
Till the end of the day
Till the end of the day
Till the end of the day

You and me are free
We do as we please, yeah
From morning
Till the end of the day
Till the end of the day
Till the end of the day
Till the end of the day
Till the end of the day
