I drink tomato juice every night
Why don't you get out of my sight
Before I go to sleep in bed
I only wanna be like tomato head

I drink tomato juice every night
I need the red drink in my sight
Somebody might think I am mad
I only wanna be like tomato head

Everybody if you want it
Everybody you can try
Everybody without thinking
Everybody it's so easy

Tomato head, tomato head
I wanna, wanna, wanna be like tomato head

I drink tomato juice every night
Why don't you get out of my sight
Before I go to sleep in bed
I only wanna be like tomato head

I drink tomato juice is what I say
And I became a green plant today
I photosynthesized in my bed
Now I'm just tomato head

Everybody if you want it
Everybody you can try
Everybody without thinking
Everybody it's so easy

Tomato head, tomato head
I wanna, wanna, wanna be like tomato head

I drink tomato juice every night
Why don't you get out of my sight
Before I go to sleep in bed
I only wanna be like tomato head

Everybody if you want it

Everybody you can try
Everybody without thinking
Everybody it's so easy

Tomato head, tomato head
I wanna, wanna, wanna be like tomato head
