Such a feeling coming over me
There is wonder in the things I see
Not a cloud in the sky, got the sun in my eyes
And I won't be surprised if it's a dream

Everything I want the world to be
Is coming true especially for me
And the reason is clear, it's because you are here
You're the nearest thing to Heaven that I've seen

I'm on the top of the world looking down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love put me on the top of the world
Top of the world, top of the world, top of the world

Something in the wind has learned my name
Telling me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasant sense of happiness for me

There is only one wish on my mind
When this day is through, I hope I'll find
Tomorrow will be the same for you and me
All I need will be mine if you are here

I'm on the top of the world looking down on creation
And the only explanation I can find
Is the love that I've found ever since you've been
around
Your love put me on the top of the world

Top of the world, top of the world
Top of the world, top of the world
Top of the world, top of the world
Top of the world

Such a feeling coming over me now
Top of the world
Everything I want the world to be now

Top of the world
On top, on top
Top of the world
Top of the world
I'm on the top now, I'm on the top now

Top of the world
I'm on top, top
Top, top, top
Top of the world
