Riding on the train
Watchin' girl
Everyone is closing their eyes
Watchin' girl
They can't see anything
Watchin' girl
Pretending that they are asleep
Watchin' girl

Watchin' girl
Watchin' girl
Watchin' girl

Think about it sometimes
Watchin' girl
Do we need the media?
Watchin' girl
I don't need it anymore
Watchin' girl
My body is so alive
Watchin' girl
I can feel everything
Watchin' girl
So I don't need anything else
Watchin' girl

Watchin' girl
Watchin' girl

Hey now,
Watchin' girl
Everybody open your eyes
Watchin' girl
Hey now,
Watchin' girl
Everybody look outside
Watchin' girl

Watchin' girl
Watchin' girl
