He's a gummer
He's a gummer
He's a gummer

He's over sixty three
He's listened to white flag
Longer than you or me

White flag, white flag, yeah
White flag, white flag, yeah
White flag, white flag, yeah
White flag, white flag, yeah

He's a gummer
He's a gummer
He's a gummer

He's over sixty three
He's listened to white flag
Longer than you or me

White flag, white flag, yeah
White flag, white flag, yeah
White flag, white flag, yeah
White flag, white flag, yeah
