Now's a chance, here in France, I've got to give it a go  
How d'you say I'm happy? Estoy feliz contigo? No! No!  
D'Ã©solÃ©, mon franÃ§ais est un petit peu confus  
Parce que tout le temps si j'essaie  
Hablo poco spanish - another stupid English boy!

Anyway, if I say 'si j'essaie' donc I do.  
Je voudrais que tu saches en franÃ§ais:  
Tu mi gusto mucho Piense que te amo

I gotta whole lotta love on the tip of my tongue  
But the words won't come like I want them to come  
I'm like Old Mother Hubbard getting lost in hre  
cupboard  
And I think I'm loosing you

mmmh

Second go, take it slow, it's not the end of the world  
Enfin bon, Ã§a c'est bon, ce n'est pas la fin du monde.  
Mais il y a quelque chose que je voudrais te dire -  
Listen up! Ã©coute! Important!  
Te quiero mucho. La chica mas linda  
Oh no! That's espaÃ±ol!

I gotta whole lotta love on the tip of my tongue  
But the words won't come like I want them to come  
I'm like Old Mother Hubbard getting lost in hre  
cupboard  
And I think I'm loosing you

So give me one more chance let me try to explain  
I've got the words in my heart  
But not in my brain  
And now I'm all tongue tied  
But at least I tried  
To build a little bridge to you

In a moment of weakness I give up on the romance  
And I fall for a clichÃ© but without thinking I say  
"Voulez-vous coucher avec moi ce soir?"

But you turn your back  
And back with a slap!

I gotta whole lotta love on the tip of my tongue  
But the words won't come like I want them to come  
I'm like Old Mother Hubbard getting lost in hre  
cupboard  
And I think I'm loosing you

So give me one more chance let me try to explain  
So give me one more chance let me try to explain  
And I have my whole tongue tied  
But at least I tried  
To build a little bridge to you

I'm gonna be a little breach to you  
I'll be a little breach to you
