"Thank You"

I thank you for what you've given me
You gave me the courage to say sorry
I know I'm not perfect, but what i say is true
I couldn't be who I am now without you

Thank you for this dance
I want to thank you for this chance
And now I can
Stand up tall
I know you'll
Catch me if I fall
Thank you

I thank you for your caring smile
It makes my day all worthwhile
Thanks for listening while I cry
I know you'll be there to make it alright

Thank you for this dance
I want to thank you for this chance
And now I can
Stand up tall
I know you'll
Catch me if I fall
Thank you

And if I fall right down again
You'll be holding me
And if I ever need a friend
You'll be there with me

Thank you
