Performed by Bonnie Raitt)

Everytime I look into your lovely eyes, I see a love that
money just can't buy

One look from you, I drift away

I pray that you are here to stay

Anything you want, You got it

Anything you need, You got it

Anything at all, You got it... Baby

Everytime I hold you, I begin to understand

Everything about you, Tells me I'm your best friend

I live my life, To be with you

No one can do the things you do

Anything you want, You got it

Anything you need, You got it

Anything at all, You got it... Baby

Anything you want, You got it

Anything you need, You got it

Anything at all, You got it

I'm glad to give, My love to you

I know you feel, The way I do

Anything you want, You got it

Anything you need, You got it

Anything at all, You got it... Baby

Anything you want, You got it

Anything you need, You got it

Anything at all, You got it... Baby

You got it
