Well, I heard Jimmie Rodgers sing  
on my dad's old record machine  
something 'bout how when you got love  
all you got is love to lose  
And if i learned one thing about Hank  
it's that him and his kin like to drink  
living whiskey bent, faced to the lovesick blues  
straight to hell

I'm a whiskey drinkin' new low sinkin'  
lovin' leavin' kind  
and if it's worth keepin' you better believe it  
I'm losing it with my mind  
And you'd think I'd pick up from one of them songs  
just one way not to get burned  
but it's the same old bottle, the same old blues  
the same hard lesson to learn

Well, I heard that old George Jones  
bottomed out from all of the no shows  
girl, I'm watching my heroes ride away  
like a {???

And I live like a rolling stone  
ain't worth it if I gotta be alone  
on the lost highway the devil collects the tolls

I'm a whiskey drinkin' new low sinkin'  
lovin' leavin' kind  
and if it's worth keepin' you better believe it  
I'm losing it with my mind  
And you'd think I'd pick up from one of them songs  
just one way not to get burned  
but it's the same old bottle, the same old blues  
and the same hard lesson to learn

yeah, you'd think i'd pick up from one of those songs  
just one way not to get burned  
but it's the same old bottle, the same old blues  
the same hard lesson to learn  
it's the same old bottle, the same old blues  
the same hard lesson to learn
