?Come on boys, let?s hit the road?  
We left L.A. on Sunday, in Lubbock by Tuesday  
That?s where we played our second show  
Where nobody knew us, so nobody noticed  
The songs that the band didn?t know

We were eatin? up the white lines, makin? good time  
Diggin? the songs on the radio  
And that party kept a movin? and you know what we  
were doin?  
We were smokin? up that California gold, yeah

Now everyone was glad, 'The Weight' played by The  
Band  
You know I never had that song ever let me down  
And I didn?t notice I was speedin? but in the rear-view  
mirror blinkin?  
Were them state trooper?s lights all spinnin? ?round

Well we rolled down the windows  
So we didn?t think that he would notice  
Something smellin? funny in that smoke cloud  
And he asked, ?What you boys a-hidin??? And we were  
all silent  
?Cause I think he heard us clear and loud

And we were busted  
Busted in Baylor County  
Busted, busted in Baylor County, oh  
?Oh no, my Weed?

He spread us all along the highway  
Cuffed us all and turned us away  
And started pokin? round the truck for the cake  
And we all stood there high as a kite, and he found it  
alright  
And don?t y?all make light of the number one dope  
dog in the state

That mutt found the joint in my pocket  
That was buried and locked up in the back of the trailer  
And the guitars and the piano seat

And off we went to jail all locked up in a cell  
Charged with possession of that sweet leaf

And we were busted  
Busted in Baylor County  
Busted, busted in Baylor County

Well I was still pretty buzzed when they called in the  
judge  
Who greeted me with a smile and a warm handshake  
And he said, "I'm so sorry," 'cause they couldn't un-  
arrest us  
But that was up to some other official magistrate

And he said, "Don't you worry, son, all the charges are  
gone  
But I've got a few autographs for you to sign?  
And they sprang us out right quick, so we could get up  
on the stick  
To Wichita Falls by show time to tell 'em

We were busted  
Busted in Baylor County  
Busted, busted in Baylor County

Busted, busted in Baylor County  
Busted, busted in Baylor County
