If I get to drunk tonigh, Jesus gonna drive me home
If I get to drunk tonight, Jesus gonna drive me home
If I get to drunk tonight, Jesus gonna drive me home
Drive me home, drive me home, drive me home

If I get locked up tonight, Jesus gonna go my bail
If I get locked up tonight, Jesus gonna go my bail
If I get locked up tonight, Jesus gonna go my bail
Go my bail, go my bail, go my bail
When I go through hell tonight, Jesus gonna ride
shotgun
When I'm closing on a state line, Jesus gonna ride
shotgun
Caught my woman with another guy
So I had to shoot her with a shotgun
Jesus, come and get me my good Lord
